7. **Planning Applications.**
 - 8.1 *PA16/08895 for a small quay at Lerryn adjacent to Trail End Cottage, the proposed quay is 14 metres by 4 metres;*
The Ownership of this land was discussed with no clear outcome.
There was concern about the springs that rise in the land above the proposed site, the size of the structure is also cause for concern as it will impede on the mean tide line.
The stone chippings on the slipway was also discussed as this will cause a significant change in the river bed and marine life and the slow worms in the area (which are protected). This may also encourage parking of vehicles/trailers etc which will then have an impact on the public right of way which runs alongside the site. All Councillors were concerned this will set a precedent being established for others and spoil the visual appearance.
Conditions would have to be placed to prohibit the parking of vehicles or storage of boats upon the structure.
JS proposed to object to the application KB seconded all in favour
8. **Planning Results.** *None to date.*

9. Finger Post Sign. *RR reminded the councillors of the quotes to replace the fingerpost sign at St Winnow. Each finger will cost £520.00 +VAT. PR proposed one fingerpost sign saying Lostwithiel & Lerryn with the mileage seconded by JS all in favour.*

RT & RR to liaise with John to remove the collars from the existing post for sizing. KP to confirm order once this has been done.
